

Town of Theresa
Recycling Guide
Revised: February 10, 2010

The recycling center is located at 25770 NYS Route 411, west of the village of Theresa. Its hours of operation are Tuesday, Thursday, and Saturday 8:00 AM – 3:00 PM.

Only individual residents of the Town of Theresa will be allowed access to the Theresa Transfer Station. Each resident using the Transfer Station must have an identification sticker. Identification stickers for vehicles to obtain access to the transfer station can be obtained from the Town Office at no charge.

All household garbage that is not recyclable must be deposited in tied bags, not to exceed a maximum capacity of 30 gallons per clear bag. Each bag **MUST** have a sticker on it. Stickers can be purchased at the Town Office or at the Transfer Site during normal business hours, Monday through Friday. Stickers are \$1.50 each and can be purchased in any quantity.

You will be charged for each of the following items deposited at the transfer station and given a receipt.

Tires - \$2.50 per tire.
Furniture - \$5.00 per item.

There is **NO CHARGE** for items that can be recycled. All residents are asked to separate the following materials from their waste and bring them to the transfer station for recycling.

NEWSPAPER: Store newspaper in grocery bags or boxes. Any supplements in newspapers are fine.

CARDBOARD: Corrugated cardboard must have staples and tape removed. Break up or crush.

MAGAZINES: Store magazines in grocery bags or boxes. Magazines must be kept separate from newspapers.

GLASS CONTAINERS: Rinse and remove metal caps and loose labels.

TIN CANS: Rinse and remove loose labels.

PLASTIC: All plastic containers must be rinsed clean with tops removed. Labels that are loose should be removed, otherwise they are okay. All milk jugs and detergent bottles are accepted. Other plastic containers with the three-arrow recycling emblem, with a number (1 – 7) in the center and letters below are acceptable.

SCRAP METAL: The transfer station will accept iron, tin, aluminum, copper, brass, lead, and white goods. Of course the transfer station will accept any gold or silver.

The transfer station does **NOT** accept construction materials, oil, paint, or green waste.

As industries and markets change, the recycling center may accept or reject other materials or change methods of sorting.

Please follow the attendant's instructions when using the transfer station. Your cooperation helps reduce operating costs and maximizes our return on recyclable materials.
