Town Board meeting held May 11, 2022 cont'd.

Discussion:

Superintendent Savage told the Board that Tim Beach was hired to work at Oakwood Cemetery. He said he is doing an excellent job and has a great work ethic. He is also very good with the equipment.

Supervisor Marcinkowski told the Board that there is an issue with Jefferson County Dog Control. They are not following the local law that was enacted with their guidance. There have been incidents with (2) dogs, that are unlicensed, killing cats and farm animals in the Village. JC Dog Control are stating that they can't enforce the Village's leash law. Mr. Marcinkowski stated that when the Town went back to paying the County for dog control it was with the understanding that they enforce in the Village also. The County was reminded that in the local law an unlicensed dog can be seized, and they are refusing to do it. Mr. Marcinkowski said that 12 to 15 people attended the Village's Board meeting last night to complain about nothing being done. Residents are very upset that they cannot walk safely in the Village because of the dogs.

Supervisor Marcinkowski attended the Village Board meeting last night and discussed the Village paying \$2.00 per garbage sticker sold to offset the cost of garbage at Jefferson County Recycling. The Village offered to pay the difference in the tipping fee cost per ton between Jefferson County and DANC. The Town Board agreed that the Village needs to pay the \$2.00 sticker fee to the Town or pay Jefferson County Recycling directly for tipping fees. Supervisor Marcinkowski to draft a letter to the Village Board stating their decision.

Mail/correspondences:

- A letter from Attorney Campanelli & Associates, P.C. stating that local Zoning Ordinances must address 5G wireless facilities on private land. The letter was an advertisement to use that law firm.
- Invite to Memorial Day Ceremony at the Robert Markwick American Legion Post 798, Philadelphia.

The Local Law for Recreational Vehicles needs to have a SEQR reviewed by the Planning Board.

Update of Highway Dept.:

- Trucks have all been switched over to start the CHIP's projects.
- Ballfields have been mowed but are still wet.
- Oil prices are up so the cost of blacktopping will be up also.
