Press release
March 20, 2020

The Town of Theresa’s transfer site will be open regular hours for our residents.

We are asking that you only bring your household trash and recyclables only.

Due to executive orders from the New York State Governor and new staffing levels, we are asking that you NOT to bring large items like couches, refrigerators and other large items to the transfer site until further notice.

Thank you for your understanding.
Be safe and be well.

Steven Marcinkowski. Supervisor
Town of Theresa, New York
