Transfer site stickers:

The Town Board is OK with discontinuing the use of transfer stickers after all that are on hand are sold.

Indian River Ambulance Service:

Meeting Sept. 10, 2024, the three Towns (Antwerp, Philadelphia, and Theresa) and The Supervisors had more questions after last meeting in August. Daren Morgan stated that IRAS decided to give the Towns more workable numbers to start off with. The Towns must decide whether to approve to have their own EMS district (itemized line on taxes) in each town. IRAS sets budget if approved, based off each of The Towns individual three-year average to get what they would ask for that Budget year. Volunteer numbers are down.

Camper committee:

Daren Morgan is going to send the proposed RV law to the County for review.

Theresa Progress Group:

Thanking The Board for helping with the Senior Citizen Trip.

Front Entrance/Covid money:

Bid was not acceptable the way it was written, Supervisor Marcinkowski says that everything must be spelled out. Money must be slotted by the end of the year as to what it will be used for.
